HOME OF THE
OTTERS

WELCOME BACK!

Virtual Learning in 2020-2021

We want to welcome all of our otters back to Riverbank's 2020-2021 school year! The beginning of virtual learning is a new adventure for all of us. Our teachers & support staff have been training this summer to use the technology we have at our fingertips to best serve our students in this virtual environment. The environment is different, but we remain committed to giving our students the best education possible. Riverbank has distributed chromebooks to over 600 students and school supplies are available to all students to complete their work from home. If you haven't picked up your school supplies, chromebook or textbooks, please call the office for a pick-up time. Communication between school and home is so important in virtual learning. Look for weekly emails, phone calls or texts, monthly newsletters and virtual parent meetings to answer your questions or learn more about how to support your students in their virtual learning experience.

Technology Support

Having technology issues and need a helping hand? Students can fill out a Student Technology Help Ticket. Our own Mrs. Monteros and Mr. Vega will be helping solve technology issues, so you can quickly move on with your virtual instruction. You can get the link from your teachers or copy and paste this link:
<https://forms.gle/7tj3LwasbmHSbmQ19>

Grab 'n Go Meals

Mondays, Wednesdays and Fridays from 10:30 am - 12:30 pm at Riverbank School in the bus loop of the back parking lot.

BACK TO SCHOOL NIGHT SEPTEMBER 2

Back to School Night will be virtual this year, of course. Join principals Jaime Avelar and Kristin Rodriguez at 5:00 pm for a parent information session at meet.google.com/cos-nnrh-ate Phone: 518-531-6109 PIN: 962 389 080#.

We will have information on our Parent Teacher Club, School Site Council, Title 1 and more ways to support your students as they learn.

Teachers will reach out to families in their classrooms and invite you to join one of two classroom sessions. You can meet your student's teacher and find out more about their online classroom environment.

Otters can do
VIRTUALLY
anything!

2020-2021
